

## Homelands Program

### Municipal and Essential Services (MES) Special Purpose Grants 2015-16

Organisation	Project ID	Description of Project	Community Name	Funded Amount
Arramwelke	15/16-002	Disconnect & clean the water metre - flush out the waterlines. Supply 1 Grundfos CMBE 3-62 pressure pump per house (9)	26 - Orrtipa-Thurra (Bonya Resource Centre)	\$ 144,108
Barkly Regional Council	15/16-003	Connect water to houses, clinic and old resource centre (for work camp proposed for Elliott region). Install water softener	252 - Marlinja	\$ 91,580
Barkly Regional Council	15/16-004	Purchase, transport and installation of ply stock troughs at six Utopia outstations to prevent damage to water supply by feral animals	(blank) - Utopia Outstations	\$ 11,940
Barkly Regional Council	15/16-005	Construct steel toilet, ablution and laundry block	23 - Atnwengerrpe	\$ 200,000
Bawinanga Aboriginal Corporation	15/16-008	Purchase of a Generator to Assist with Maintenance at Outstations by Providing a Power Source for Tools Such as Welder.	925 - All Outstations	\$ 7,500
Central Desert Regional Council	15/16-012	Replace battery array at Irrelirre to ensure ongoing reliable performance of Bushlight power system. Use 20 x existing 'satisfactory' batteries from Irrelirre to replace same number of 'Unsatisfactory' batteries at Mulga Bore system	703 - Irrelirre, Mulga Bore	\$ 90,200
Central Desert Regional Council	15/16-013	Install plug-in points for back-up generators on bores at Foxalls Well, Spotted Tiger, Alatyeye, Angula, Adelaide Bore, Pulardi, Ten Mile and Lultju	703 - Irrelirre, Foxalls Well, Spotted Tiger, Angula, Adelaide Bore, Ten Mile, Lultju, Pulardi	\$ 39,050
Demed Association Incorporated	15/16-017	Purchase and install small solar system	976 - Anaslee Pt.	\$ 36,548
Demed Association Incorporated	15/16-018	Install new batteries at the second house at Sandy Bay	892 - Sandy Bay	\$ 25,760
Demed Association Incorporated	15/16-021	Install new batteries at house 1 in Wilgi	432 - Wilgi	\$ 22,634
Demed Association Incorporated	15/16-022	Install new batteries at house 2 in Wilgi	432 - Wilgi	\$ 41,176
Dinybulu Regional Services Pty Ltd	15/16-024	Reinstating evapotranspiration beds, pumping & desludge septic tanks, reconstructing absorption trenches and install concrete covers on septic tanks	838 - Wulkabimirri	\$ 60,000
Dinybulu Regional Services Pty Ltd	15/16-025	Refurbish bore area, remove poly pipe and fittings to install stainless steel pipework & control valves. Install stainless steel clips and signage. Repair gates and compound, rehouse pump and electrical circuitry	838 - Wulkabimirri	\$ 32,000
Ilpura Aboriginal Corporation	15/16-028	Power loads and low voltage checks will be undertaken on all electrical power distribution boxes cables, power points and lights, replaced and repaired if faulty. Some sections of underground cable will need replacing and new sections required. Work is required to repair and replace solar panels and supports.	1018 - Ilpura	\$ 27,500
Ingkerreke Outstation Resource Service Aboriginal	15/16-032	Replace/upgrade power system at Harry Creek West provide appropriate power to residents of Harry Creek West which is more	712 - Harry Creek	\$ 72,727

Corporation		sustainable		
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-035	Replace existing tanks with 2 x 22,500 Litre Poly Tanks, install stand for solar panels (for RO unit) that are currently mounted on steel tank, and service existing RO unit	783 - 16 Mile - Main	\$ 22,728
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-036	replace/upgrade power system at 16 Mile- Main to provide appropriate power to residents of 16 Mile Main which is more sustainable	783 - 16 Mile - Main	\$ 22,819
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-037	Install flooring under the solar power system at Harry Creek South, to secure and protect the new solar system& the solar batteries which will be raised off the ground to protect them.	712 - Harry Creek South	\$ 13,637
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-038	Purchase a new generator for H8 Iteyepintye, & engage a local contractor such as Electricron to supply/install a new generator and wire-up to existing system	923 - Iteyepintye	\$ 6,364
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-040	Re-equipping the bore will enable a more reliable water supply for residents, which is also more sustainable, and much cheaper to repair/maintain	784 - Black Tank Bore	\$ 18,182
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-041	Install a new solar bore at Sandy Bore.	711 - Mt Undoolya	\$ 18,182
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-043	Purchase new Slasher plate for outstations	712 - Various Outstations in Ingkerreke's Northern Region	\$ 4,619
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-046	Purchase and install a containerised generator system at Snake Well outstation, between the 2 improvised dwellings	948 - Snakewell	\$ 13,637
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-048	upgrade and repair the water mains at Itperlyenge, new blue line poly would replace the agricultural poly pipe between front of Itperlyenge outstation to where it joins pipeline at Iteyepintye that feeds to water meter	924 - Itperlyenge	\$ 16,364
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-049	upgrade and repair various access roads in Ingkerreke Northern Outstation region, each year outstations receive firebreaks and access road grading	Various Outstation	\$ 45,455
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-051	Install a new fence and gravel around feeder water tanks at Corkwood Bore, to secure the area	1009 - Corkwood Bore	\$ 10,909
Kalano Aboriginal Housing Corporation	15/16-059	Purchase of new and replacement equipment to maintain gardens	642 - Rockhole	\$ 9,280
Laynhapuy Homelands Aboriginal Corporation	15/16-060	Installation of new generator at Gan Gan community, removal of current set for rebuild and reissue to a smaller homeland	93 - Gan Gan	\$ 74,060
Mabunji Aboriginal Resource Centre Aboriginal Corporation	15/16-061	Construct and Install New Pit Toilet	262 - South West Island- Wathunga	\$ 13,315
Mabunji Aboriginal Resource Centre	15/16-062	Install gutter, rainwater tanks and first flush diverters on concrete slabs to service six	723 - Kiana	\$ 39,305

Aboriginal Corporation		houses		
Mabunji Aboriginal Resource Centre Aboriginal Corporation	15/16-063	Install transfer pump so water from sandspear can pass via FCUBED water purifier into overhead tanks	(blank) - Moolwoowa (Cape Vandelin)	\$ 26,390
Mabunji Aboriginal Resource Centre Aboriginal Corporation	15/16-064	Install gutter and rain water tanks and first flush diverters on concrete slabs to 2 houses.	933 - Garrinjini (Little River)	\$ 14,140
Mabunji Aboriginal Resource Centre Aboriginal Corporation	15/16-065	Connect up transfer pump and run in new polypipe from FCUBED tank to overhead tanks	274 - West Island, Kangaroo Iskand	\$ 10,505
MacDonnell Regional Council	15/16-067	Supply, Drill and Construct 150mm Cased replacement Water Bore at Warren Creek. Supply and Install Grundfos SQ 2.5 Solar Submersible Pump, Bore Headwork and plumb / connect Bore Discharge line into existing 50mm Blue Line Poly & suitable compound erected around the infrastructure to protect the water supply.	179 - Warren Creek	\$ 47,165
MacDonnell Regional Council	15/16-069	Major servicing of the generators at each of these sites including all items outlined in the Generator Major Servicing Checklist included with this application	3,179,844,846,1015,102,940 - Town Bore Warren Creek Beer St Bore Charlotte Waters Atji Creek Mbunghara John Holland Bore	\$ 29,797
MacDonnell Regional Council	15/16-070	Reinstatement of bore water supply to Amundurungua (Amunurrngu) Spring. Supply and installation of new bore pump and controller, replacement of cabling for solar array to bore, air lifting of bore for cleaning.	761 - Amundurungua	\$ 18,446
MacDonnell Regional Council	15/16-072	Replace 2 x septic systems in including tanks and leach drains	101 - Mbunghara	\$ 48,500
Marthakal Homelands & Resource Centre	15/16-084	To install a new tank stand and tank which is closer to the bore.	509 - Gikal	\$ 65,042
Marthakal Homelands & Resource Centre	15/16-086	To remove fence and concrete pad, replace Bore casing and head works install new stainless steel fixings and install new concrete and fence.	457 - Banthula Djurranalpi Dharawa	\$ 35,780
Marthakal Homelands & Resource Centre	15/16-088	The casing is rusted off at ground level. This project will remove fencing for access, brake up concrete around bore and then dig out and install new casing. Re-cementing in place, installing new stainless steel head works and replacing the fencing is also required.	529 - Mata Mata	\$ 25,450
Marthakal Homelands & Resource Centre	15/16-092	To dig up and install new soakage matrix to four septic tanks.	999 - Nyinyikay	\$ 23,518
Millingimbi	15/16-191	Major overhaul of Terex Backhoe 820.	465,447,749,751, Bodiya, Dhippiri, Gumuruguru, Langarra, Moorunga	\$ 40,846
Ngaliwurri - Wuli Association	15/16-114	Supply and install 1200 high with barbed wire cattle /animal proof fence around the	NoID12 - Gulardi	\$ 14,088

Incorporated		evaporation bed		
Ngaliwurri - Wuli Association Incorporated	15/16-122	Repairs & upgrade to 550 meters of the Bulla Airstrip access road	586 - Bulla	\$ 17,600
Ngaliwurri - Wuli Association Incorporated	15/16-124	Construct a new communal ablution block. Including 2 x WC's & 2 x Showers & 1 x laundry area	NoID12 - Gulardi	\$ 42,792
Ngaliwurri - Wuli Association Incorporated	15/16-126	Purchase new Heavy Duty plant trailer	(blank) - All	\$ 5,950
Ngaliwurri - Wuli Association Incorporated	15/16-128	Provide and install new security fence around new bore.(15mtr x 15mtr = 60 l/mtr	950 - Fitzroy Station	\$ 10,079
Ngaliwurri - Wuli Association Incorporated	15/16-133	Supply and install fence to Community to separate area from house #4 (40 + 40 + 50mtrs)	648 - Muruning	\$ 19,092
Ngurrutjuta	15/16-134	Drilling and installation of new bore	178 - Wanmarra	\$ 31,364
Ngurrutjuta	15/16-136	Installation of a fence around Kings Canyon Outstation rubbish tips	88, 178, 162, 159 - Lilla, Wanmarra, Ulpanyali, Ukaka	\$ 39,000
Numbulwar Homelands Council Association	15/16-143	To purchase a vehicle mounted hydraulic hoist	567 - All Communities	\$ 11,500
Numbulwar Homelands Council Association	15/16-144	To renew hydraulic rams, kingpins, bearings, steering components etc. to re new Backhoe, 10 year service	567 - All Communities	\$ 25,000
Pine Creek Aboriginal Advancement Association Inc	15/16-145	Purchase of heavy duty trailer to transport Municipal and Essential Services plant and equipment	608 - Kybrook Farm	\$ 10,190
Roper Gulf Regional Council	15/16-146	Upgrade the power supply of all 4 dwellings and ablution block to a permanent power supply.	635 - Nummerloori	\$ 28,297
Roper Gulf Regional Council	15/16-147	Propose to upgrade the power supply of all 4 dwellings and school to a permanent power supply	590 - Costello	\$ 25,941
Roper Gulf Regional Council	15/16-148	Replace the underground water reticulation at Costello Outstation. The entire water reticulation pipe line will be replaced including from tanks, pump, ablution and all the houses	591 - Costello	\$ 12,285
Roper Gulf Regional Council	15/16-150	Purchase of a grader and a trencher attachment to carry out full use of the bobcat, and provide MES services in the outstations.	All - All Communities	\$ 27,800
Roper Gulf Regional Council	15/16-152	Replace the underground water line from the pump to the tanks at Kewulyi Outstation	1017 - Kewulyi	\$ 18,758
Savanna Alliance (Australia) Corporation Limited	15/16-155	MES - Primary Water System - Tank Replacement	670 - Djarrung	\$ 69,322
T & J ( Far North Contractors Pty Ltd)	15/16-191	repairs roofing, water and electricals to increase community safety	(blank) - Mungkarta	\$ 81,400
Thangkenhareng Resource Centre	15/16-159	Remove/refit of batteries, and basic system check-up, at site of renewable energy system.	824 - Jemelke	\$ 72,700
Tjuwampa	15/16-160	New 10KVA generator and installation	985 - Undurana2A	\$ 22,500
Tjuwampa	15/16-161	Replace batteries which have reached end of life after 13 years	83 - Kwala	\$ 40,000
Tjuwampa	15/16-162	Replace Solar after failure of 15 years	57 - Five Mile	\$ 88,000
Victoria Daly Regional Council	15/16-164	The funding is sought to purchase and install a new battery bank for the solar system in	603 - Lingara	\$ 157,130

		Lingara (120 batteries). The price also includes the removal and disposal of the old batteries.		
West Daly Regional Council	15/16-165	Merrepen and Namarluk water supply. Automatic bore start stop pressure systems in above outstations.	716, 717 - Merrepen, Namarluk, Old Mission, Kuy & Fossil Head	\$ 68,280
West Daly Regional Council	15/16-166	Supply and Install New 10kVA Pramac generator, new main switchboard with 32A Inlet for ease of connecting or disconnecting Generator & operating instructions to the community	716 - Namarluk	\$ 21,230
West Daly Regional Council	15/16-168	Supply and installation of 18 x 250W Suntech Solar Panels.	962 - Uminyuluk	\$ 23,575
West Daly Regional Council	15/16-173	Supply and installation of 24 250W Suntech Solar Panels	884 - Mulingi	\$ 21,203
West Daly Regional Council	15/16-174	Supply and installation of Grundfos Pump and accessories to complete Mulingi Bore Project.	884 - Mulingi	\$ 12,301
West Daly Regional Council	15/16-175	Drilling and constructing water bore near existing bore RN032937	717,716 - Merrepen, Namarluk	\$ 23,206
West Daly Regional Council	15/16-176	Supply and install a solar pumping system.	717, 716 - Merrepen, Namarluk	\$ 15,591
West Daly Regional Council	15/16-192	Supply and Install New 10kVA Pramac generator, new main switchboard with 32A Inlet for ease of connecting or disconnecting Generator & operating instructions to the community	716 - Merrepen	\$ 21,230
Yantjarrwu Outstation Resource Centre	15/16-179	Upgrade an outdated and inadequate water storage and distribution network	882 - Emu Point	\$ 180,000
Yantjarrwu Outstation Resource Centre	15/16-184	Replace 15 old solar panels to increase solar capacity back to 100%	778 - Wudaduk	\$ 12,231
Yantjarrwu Outstation Resource Centre	15/16-185	Supply and install 1 x Pramac GSW15Y Generator	837 - Madlindji (Sabina)	\$ 22,122
Yilli Rreung Housing Aboriginal Corporation	15/16-186	This project will upgrade the Solar Power Supply to this house	300 - Bulgul	\$ 11,685
Yilli Rreung Housing Aboriginal Corporation	15/16-189	This project will provide stand alone solar systems to Woolaning houses	697 - Woolaning	\$ 79,400
Demed Association Incorporated	15/16-015	Cut down trees leaning over the houses.	Malgawa	\$16,980
Demed Association Incorporated	15/16-019	Remove dangerous Trees from around Mamadawerre outstation houses.	Mamadawerre	\$10,920
Ingkerreke Outstation Resource Service Aboriginal Corporation	15/16-033	Replace/upgrade power system at Gillen Bore-Braun's to provide appropriate power to residents which is more sustainable.	Gillen Bore	\$30,200
Laynhapuy Homelands Aboriginal Corporation	15/16-196	Demountables installed after cyclones are not connected to services	Dhalinbuy, Ramangirr	\$48,354
Marthakal Homelands & Resource Centre Aboriginal Corporation	15/16-082	Ground works and trucking in of equipment to dig new waste area	Nyinyikay, Rorruwuy, Gikal	\$28,200
Marthakal Homelands &	15/16-099	To truck in cement pre mix and gal hot dipped reinforcing mesh. To mix cement on site	Gawa Nanyingburra	\$77,523

Resource Centre Aboriginal Corporation		forming and pouring between low tides. To improve approach to dune at top of landing.	Banthula Djurranalpi Dharawa Ganpura Gulmarri	
Marngarr Resource Centre	15/16-197	Demountables installed after cyclones are not connected to services	Birany Birany, Dhaniya	\$63,142
Marngarr Resource Centre	15/16-198	Demountables installed after cyclones are not connected to services	Birany Birany	\$12,705
West Daly Regional Council	15/16-172	Supply and Install New 14kVA Pramac generator to replace old generators.	Mulingi	\$18,000
Yapa-Kurlangu Ngurrara Aboriginal Corporation (YKNAC)	15/16-194	Repair or replace pump as the residents have no access to water and air conditioner to office	Mt Denison	\$9,741
Yapa-Kurlangu Ngurrara Aboriginal Corporation (YKNAC)	15/16-195	Upgrade to Don's Bore water pipeline to provide reliable water source to residents. Using funds transferred from CDRC	Dons Bore	\$41,874
<b>Grand Total</b>				<b>\$ 3,357,639</b>
